# Plants and Animals in Altai Heraldry

Государственный герб России

The coat of arms is a distinctive sign of a village, a town, a country, its visiting card. If we look at coat of arms of different villages and towns of Altai Krai, we can easily guess about their farming and industry and characteristic features of the natural environment.

Coat of arms of Altai tells us about growing grains which means that we live in agricultural region.

# Barnaul

Coat of arms of Barnaul and Biysk show a white horse on a green field that symbolizes the main draught and transport power in mining industry and agriculture.

# Biysk

# Zarinsk

A flying skylark on a blue field symbolizes the morning dawn. The sun is the symbol of home and fire.

# Kamen-on-Ob

Two wheat sheaves embody  
agriculture as a leading  
branch of town`s economy

.

# Rubtsovsk

Coat of arms of Rubtsovsk is representing by yellow wheat-ears and a bird in a blue sky.

# Troitsk

This coat of arm shows that the place is rich in forests and woods. We also can learn that people grow wheat in this region.

# Tumentsevo

A silver horse with black hoofs raised on its legs tells us about a State stud farm. Its black hoofs symbolize all victims died during difficult years of war time. Golden leaves are branches of tobacco. They tell us about tobacco tradesmen who founded the village in 1763.

# Romanovo

Birch leaves symbolize the beauty of nature in Romanovo. It is rich in birch groves with singing birds.

# Sovetskoe

Swan lake in Sovetskoe is the main tourist attraction of this place. Beautiful white birds stay here all the winter long. Wheat-ears remind about its agriculture.

# My village Novotyrshkino

I also live in agricultural area that's why wheat is shown on the coat of arms. The fields of sugar-beet stretch to horizon.
