My Native Place

Our beautiful
village
Novotyryshkino is
situated on the banks
of the river
Peschanaya not far
from Belokurikha
which is near the
Altai Mountains.

Our village was founded in 1801 by the farmer Stepan Tyryshkin who moved to this place searching for new fruitful lands. Now it is one of the most famous places in Altai Krai.

Our school is one of the best in the area. It gives general education in different subjects. Our school-leavers work in different parts of our great country. We are proud of doctors, scientists, researchers, famous sportsmen, teachers who studied at our school.

There are two museums in the village. In the museum of the Russian peasant you can touch and feel ancient spirit of our ancestors.

The museum of German settlers has a lot of items which tell us about their history and difficult years of life in Siberia during the war.

The churches of Novotyryshkino demonstrate the mixture of two cultures and religions.

The church of Saint Tatyana is the main attraction to Orthodox people. German citizen from different parts of Altai Krai come to Lutheran Church.

It has become a tradition to hold festivals of sport in our village. Football and volleyball players from different regions and towns come here to demonstrate their spot abilities. It is the home of famous sportsmen, Masters of Sport and even a champion of the World Volleyball Cup.

Our village is the place for international forums and festivals. Youth representatives demonstrate their business projects.

Everybody knows about Maslenitsa festival where you can watch different shows, take part in funny competitions and taste delicious Russian food.

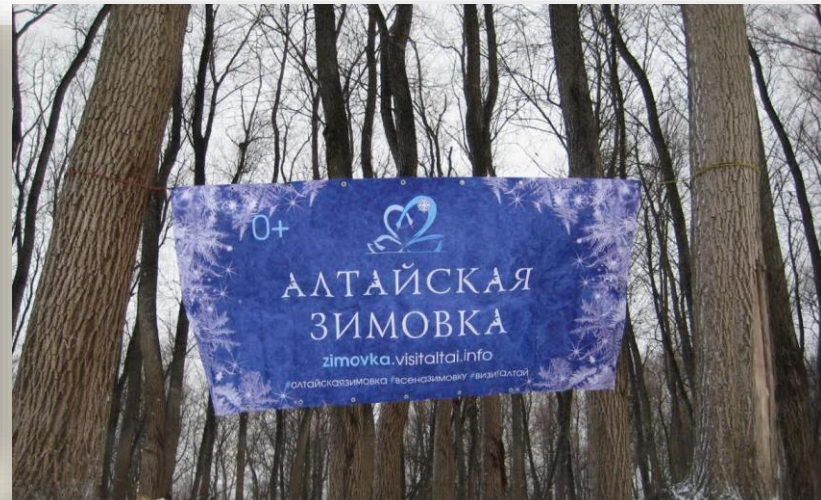

Folk groups,
actors and
singers
perform their
songs, dances
and shows on
the stage in
best Russian
traditions folk

The festival “Altai Wintering” is the most attractive. If you cam here you will undoubtely enjoy dogs and horse racing.

Look!

It is a good place for spending summer holidays. You can enjoy swimming and fishing on the ponds, having a rest on weekends
